Is it because I'm a Possum?

Hello Isabel. I am so glad we could meet up tonight. Now we have been togethor for a while and I really care about you. But as much as I like you, I think we should split up.

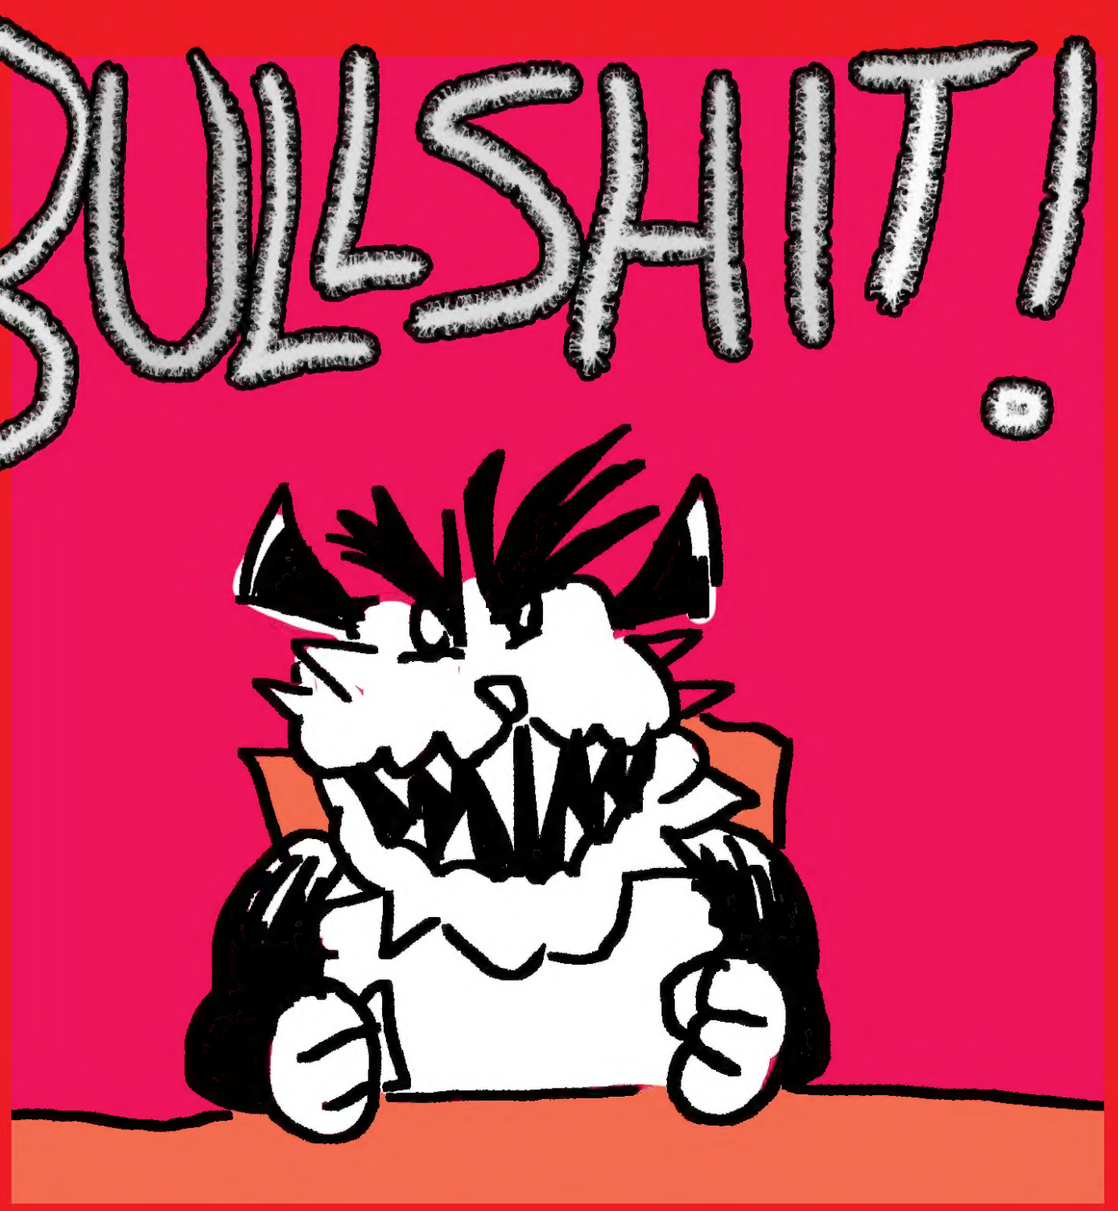
Is it because I'm a Possum?

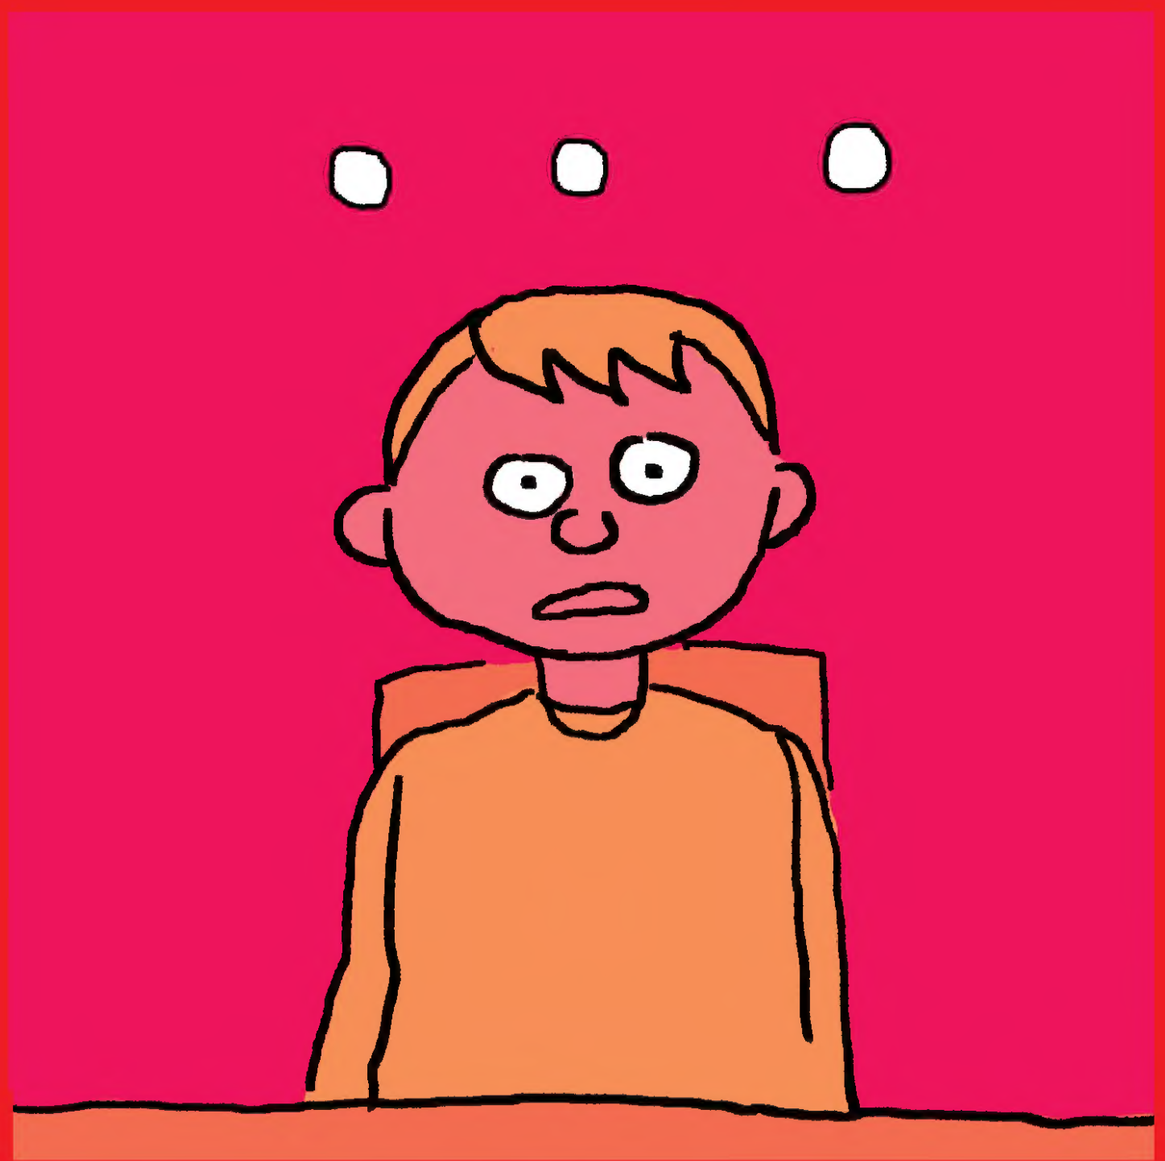
No, no, no, its... well...

It's fine. I know its because I'm a possum.

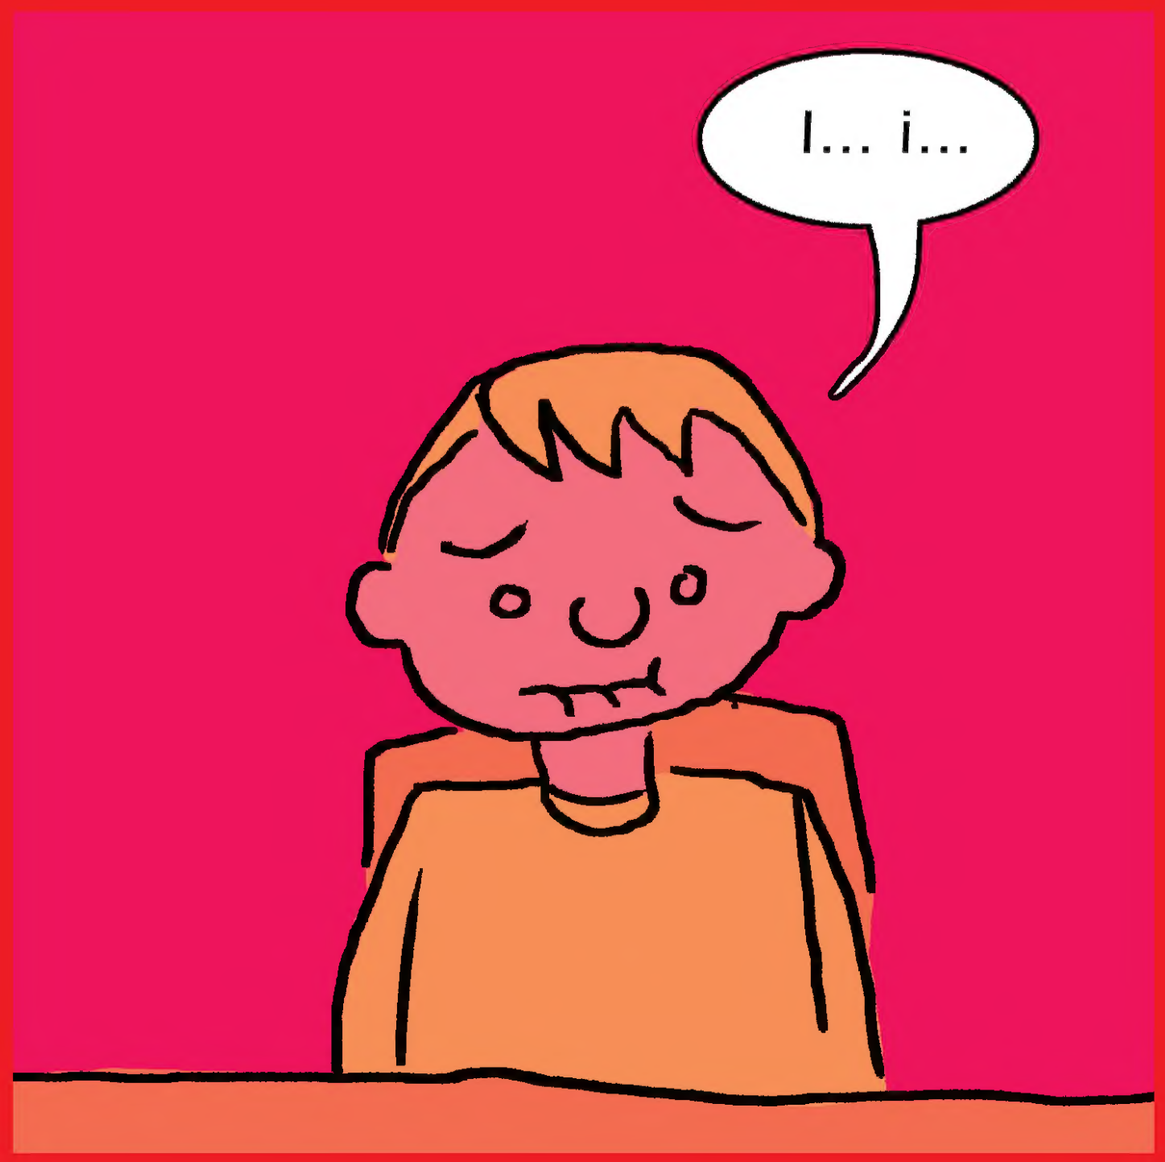
No its not. I'm just... moving into a new stage of life, and I think we should start seeing other people.

Its not you its me.





Do you think I'm stupid, You think I don't know any better!



I... i...

TELL ME WHAT IT IS!

You've got anger issues.

Oh... Okay... I see. I'll just go then.

Can we still be freinds.

sniff, I don't think I could do that, *sniff*.

What was I supposed to do. I couldn't tell her that being a Possum bothered me. That would be racist.

I've told you a hundred times. When you break up with a woman for being a possum, just tell them your gay.
